

## **ATTENTION ENTRUST OF TAMPA BAY CLIENTS:**

### **Welcome to the launch of our Ambassador Program!**

After our end of year review we made an incredible discovery. YOU are our number one source of new clients! We would like to thank you very much for spreading the word about the power of self direction and the empowering services we provide.

So, as our end of year gift to you, we are launching an Ambassador Program to maximize the wealth building potential of your self-directed retirement accounts.

Here's how it works. You register for entry into our Ambassador program and we provide you with:

- \$200 off the cost of our educational seminars to be used any time in 2008.
- Access to exclusive seminars with experts in tax, real estate, and wealth building.
- The Ultimate book on self-direction.
- Special reports commissioned by Entrust from America's leader in baby boom wealth building.

What we ask in return is that you become our Ambassador to your friends, family, business acquaintances and advisors... that you bring at least one interested person to our seminars, or introduce them directly to us in person or through a conference call. Or simply have them e-mail us and give your name as introducer. The more introductions you make the more network events, wealth support education and other wealth boosters we can give you.

### **What prompted this?**

Despite all of the growth we have experienced as a result of referrals, we have never asked for referrals or developed a program that makes it easy for you to introduce our firm and the concept of self-direction to your friends, family and colleagues. We are going to change that... We want to make it easy for you to introduce us to people that you think might benefit from our services and we want to express our gratitude when you do introduce us to your friends and family.

We want to take the money that we spend on advertising, mailing, etc, and spend it on educating you to great wealth.

**To start... ALL WE NEED IS FOR YOU TO LET US KNOW  
YOU ARE INTERESTED IN BECOMING AN AMBASSADOR.**

Just e-mail us at [MSmith@TheEntrustGroup.com](mailto:MSmith@TheEntrustGroup.com) or call us at (800) 425-0653. We will send you more information about the program AND just for expressing your interest we will send you an exclusive Special Report that will make all the difference in both your health and your wealth. It is our immediate gift to you, if you are among the first 200 expressing interest in our new program.
