Entrust Northeast Team Member Earns Certified IRA Services Professional (CISP) Designation

Verona, NJ — March 24, 2008 - Entrust Northeast, LLC announced today that Jennifer Bzik, the team's Account Manager, has been awarded the well regarded Certified IRA Services Professional (CISP) designation from the Institute of Certified Bankers (ICB), a nonprofit organization sponsored by the American Bankers Association, in Washington, DC. This designation is awarded to individuals who demonstrate excellence in the field of IRA services.

"I am proud that the ICB has recognized Jennifer and awarded her the CISP designation," said Entrust Northeast's Founder and CEO, Jaime J. Raskulinecz. "We are committed to providing our clients the best team possible to help them better understand their investment options and proactively shape their financial future." Individuals who qualify for certification must maintain certain levels of IRA experience and education, successfully pass the CISP exam, and commit to a code of ethics. The CISP exam encompasses several areas including employer plans, IRA documentation requirements, IRA eligibility and contribution requirements, IRA distribution requirements, and other IRA specific issues.

Entrust Northeast is a leading provider of comprehensive account administration and transaction support services for self-directed retirement and savings accounts and has become one of the first and only area companies to enable investors to diversify their investment portfolios by harnessing their IRA assets to purchase a wide array of nontraditional investments. Ms. Bzik joined Entrust Northeast in March 2005 and handles all new account processing, and works with clients to help them understand the intricacies of the IRS regulations surrounding self-directed retirement plans. She earned her Bachelor of Science degree in Finance from Rider University.

The ICB, with 8,000 certified members, provides financial services professionals with confidence, credibility and recognition through its certifications. As a subsidiary of the American Bankers Association, ICB promotes and highest standards of performance in the financial services industry by validating individuals' knowledge and expertise.
